Continuous Assessment (Course and Work-based Evaluation)

- * Classwork
- * Exploratory/Practical Work/Projects/Assignments
- * Class Tests

Continuous Assessment and Mark Distribution

Serial No.	Course Work	Marks
1	Classwork	20 Marks
2	Research work/Practical work/Project/Assignment	10 Marks
3	Class tests	20 Marks
		Total =50

What counts as classwork:

- Writing answers to questions (short answer and essay questions)
- Speaking in front of the class
- Making charts or maps from pictures
- Drawing graphs
- Working in groups or pairs
- Taking part in debates
- Acting out scenes
- Doing ongoing projects
- For Arabic, Sanskrit, and Pali subjects: speaking, writing, and reading activities

What counts as research work, practical work, projects, or assignments:

- Hands-on activities that make you think and be creative, not just memorize
- Practical experiments
- Making projects or models
- Writing assignments
- Doing small research tasks and presenting what you found out

What class tests include:

- Written and practical work
- Different types of questions like:
 - Multiple choice
 - Short answer
 - Essay
- Questions based on real-life situations

Important things to know about class tests:

- They are a regular part of your learning
- They help teachers see what you've learned and what you still need help with
- They're usually short (10-15 minutes)
- You'll get feedback to help you improve
- Regular classes will continue on test days
- Teachers won't schedule big, formal tests that interrupt your other classes
- You won't have to pay any fees for these tests

Grading information:

- The marks you get for continuous assessment will be shown on your report card
- However, these marks won't count towards your final grade or overall result
