## Ten (English Version)

### Cantonment Public School and College, Saidpur

#### Do's (Mandatory Requirements)

1. Students shall maintain honesty and truthfulness at all times.
  2. Students must attend school regularly and punctually.
  3. Students must enter classrooms at least 15 minutes before the scheduled start of classes. The school gate will be closed 5 minutes before the first period.
  4. Attendance and departure must be ensured through biometric fingerprint punching.
  5. Students must show mutual respect and greet others according to accepted cultural and religious norms (e.g., Salam, Adab, Good Morning).
  6. Students must be present in the classroom immediately after the warning bell rings.
  7. Students are required to keep their school ID card visibly worn around the neck at all times and use the digital ID card for tracking attendance through punch verification.
  8. Wearing the school uniform in the approved colour, size, and design is compulsory. Violation may result in a fine.
  9. Students must wear the house shoulder badge as assigned.
  10. Students must bring all required textbooks and notebooks according to the daily class routine.
  11. After classes, students must clean the classroom, turn off lights and fans and leave classrooms quietly.
  12. Students must use washrooms designated for their gender.
  13. The cleanliness of the classroom must be maintained at all times. All waste materials, including garbage, unused paper, and discarded pencil remnants, must be disposed of appropriately.
  14. Only institution-approved notebooks must be used.
  15. Students who use bicycles must park and lock them properly in the designated bicycle garage.
  16. Tuition fees must be paid between the 1st and 25th of each month either at the school bank booth or through approved digital payment platforms (e.g., T-Cash, Rocket) using the student ID number.
  17. Students must participate in co-curricular activities in a disciplined manner, refrain from any actions that may disrupt discipline.
  18. Participation in at least one sports or extracurricular activity is compulsory. Daily physical activity is encouraged.
  19. Residential students must strictly follow hostel rules. Instructions will be issued by the Hostel Superintendent.
  20. Students must respect others' personal space and private messages.
  21. Students must report any suspicious, harmful, or uncomfortable online activity to parents or teachers immediately.
  22. Students must comply with all instructions, notices, and guidelines issued by the institution from time to time.

## Ten (English Version)

### Cantonment Public School & College, Saidpur

#### Club Activities

Our clubs foster intellectual growth and comprehensive development through scientific exploration, linguistic excellence, and physical fitness. By offering diverse opportunities beyond the classroom, the clubs cultivate innovation, leadership, and responsibility, preparing members for success in both national and international arenas.

#### **Taekwondo Club**

The Taekwondo Club is dedicated to the mastery of this ancient martial art focusing on physical agility, self-defense and mental fortitude. Members undergo rigorous training to enhance their flexibility, core strength and striking techniques. By blending disciplined practice with competitive sparring, the club empowers students to build confidence and resilience fostering a "Sound Body, Sound Mind" approach to personal safety and character development.

- Exposure: Self-defense, National and International Competitions
- Subscription Fees: Applicable

#### **Physics Club**

Physics Club aims at cultivate a profound understanding of physics by engaging in practical experiments, analyzing theories, solving complex problems and developing critical thinking and innovation skills that extend beyond the classroom to real-world applications.

- Exposure: National and International Olympiads
- Subscription Fees: Not Applicable

#### **Chemistry Club**

The Chemistry Club provides students with essential hands-on experience, focusing on laboratory precision and the highest standards of safety. Members explore the transformative power of chemistry across vital sectors such as medicine, renewable energy, and environmental sustainability. By connecting classroom theories to real-world industrial applications, the club fosters a deep understanding of how molecular science shapes everyday life and drives global innovation.

- Exposure: National and International Olympiads
- Subscription Fees: Not Applicable

#### **Biology Club**

The Biology Club invites members to dive into the fascinating complexities of life through immersive activities like anatomical dissections, biodiversity studies, and ecological research. By bridging the gap between theory and the natural world, the club fosters deep scientific curiosity and an informed perspective on critical environmental and health-related issues. It provides a platform for aspiring scientists to explore the living world while developing the research skills necessary for global academic success.

- Exposure: National and International Olympiads
- Subscription Fees: Not Applicable

#### **Math Club**

The Math Club is dedicated to enhancing analytical thinking and problem-solving skill by tackling advanced puzzles and exploring the fascinating real-world applications of mathematics. Beyond classroom theory, members engage with complex logic and quantitative reasoning to prepare for high-level competitive challenges.

- Exposure: National and International Olympiads
- Subscription Fees: Not Applicable

## Ten (English Version)

### **MUN Club (Model United Nations)**

The MUN Club serves as a premier platform for aspiring diplomats to master the art of international relations, diplomacy and global governance. Through simulated United Nations conferences, members step into the roles of world leaders to debate pressing global issues, draft resolutions and negotiate complex solutions. The club hones essential skills in negotiation, public speaking and consensus-building empowering students to navigate geopolitical landscapes and develop a sophisticated understanding of international law and humanitarian affairs.

- Exposure: National and International MUN Conferences and Olympiads
- Subscription Fees: Applicable

### **Music Club**

The Music Club is designed to sharpen musical talents through comprehensive performance training and collaborative jam sessions. By exploring diverse genres, members deepen their connection with the art of music and build the stage confidence necessary for public performance. The club provides a creative space for musicians to harmonize their skills and celebrate the universal language of sound.

- Exposure: National and International Olympiads
- Subscription Fees: Applicable

### **Dance Club**

The Dance Club is dedicated to refining rhythm, coordination and artistic expression through a variety of dance styles. By hosting workshops and performances, the club celebrates personal creativity and honors cultural diversity. Members are encouraged to develop their unique artistic voice while building the discipline required for the stage, fostering a deep appreciation for movement as a form of communication.

- Exposure: National Competitions
- Subscription Fees: Applicable

### **Fitness Club**

The Fitness Club serves as a gateway to a healthier, smarter lifestyle by integrating physical exercise with balanced nutrition. At its core is the Total Fitness Program, a holistic approach that combines meditation and various Yoga postures. The club nurtures both physical and mental well-being. It empowers individuals to achieve a "Sound Body, Sound Mind" and lead a disease-free, high-energy life.

- Exposure: Sound Body, Sound Mind
- Subscription Fees: Applicable

### **Photography Club**

A photography club serves as an excellent platform for students to develop their creative vision and visual storytelling skills. Through this club, members gain in-depth knowledge of technical aspects such as exposure, composition, and editing. Ultimately, it is not just a hobby, but a unique medium for viewing the global perspective through a new lens of patience and creativity

- Exposure: Sound Body, Sound Mind
- Subscription Fees: Applicable

## Ten (English Version)

### Green Club

The Green Club empowers members to lead essential eco-friendly initiatives aimed at environmental preservation and sustainable living. Through hands-on activities such as tree plantation drives, waste management programs and climate awareness campaigns, the club cultivates a deep sense of environmental responsibility.

- Exposure: National and International Climate Campaigns and Competitions
- Subscription Fees: Not Applicable

### Festive Handwriting Club

Handwriting Club provides a dedicated space for members to refine their fine motor skills and penmanship through deliberate, consistent practice. By focusing on legible and artistic writing, members often experience improved focus and reduced stress. By mastering the grace of the pen, participants learn to transform simple text into superb works of art, preserving a classic skill in a modern world.

- Exposure: Helping every member find their unique voice through the rhythm of the nib.
- Subscription Fees: Applicable

### The Arabic Language Club

The Arabic Language Club provides Muslim students with a vital connection to their faith by enabling them to understand the Quran and daily prayers in their original, revealed language. Ultimately, the club empowers students to become more confident in their religious practice while developing a sophisticated linguistic skill.

- Exposure: Spritual Growth, Religious understanding, National and international Competitions
- Subscription Fees: Applicable

### The Drama Club

The Drama Club allows students to build immense self-confidence and public speaking skills by performing in front of an audience. It serves as a creative outlet where students learn empathy and emotional intelligence by stepping into the shoes of diverse characters and exploring different perspectives. The collaborative nature of theater teaches essential teamwork and problem-solving skills as members work together to manage everything from rehearsals to technical production.

- Exposure: National and International Olympiads
- Subscription Fees: Applicable

### Language Club (English)

The Language Club (English) is dedicated to accelerating linguistic fluency and fostering a deep appreciation for literature and creative writing. Members engage in a comprehensive curriculum that covers vocabulary development, news reporting and public speaking with a specific focus on mastering British and American pronunciation. Through activities such as anchoring, publication and cultural presentations, the club builds the confidence and communication skills necessary for elite global performance.

- Exposure: National and International Olympiads
  - Subscription Fees: Applicable
-

## Ten (English Version)

### **Information Technology Club**

The Information Technology Club empowers members to master computing skills and stay ahead of emerging tech trends. Through hands-on innovative projects, students dive into programming, Artificial Intelligence (AI) and cybersecurity awareness, building a robust foundation for future technological advancements. By bridging the gap between theory and technical application, the club prepares aspiring tech leaders to navigate and shape the digital landscape of tomorrow.

- Exposure: National and International Olympiads
- Subscription Fees: Applicable

### **STEM Club**

The STEM Club drives interdisciplinary innovation by merging science, technology, engineering and mathematics through hands-on experimentation. Members engage in high-impact projects involving AI, Robotics and Graphic Design tackling complex challenges that mirror real-world technical demands.

- Exposure: National and International Olympiads
- Subscription Fees: Applicable

### **General Knowledge Club**

The General Knowledge Club is designed to sharpen awareness of national and global affairs through interactive quizzes, debates and independent research. By engaging with current events and historical contexts, members build the analytical and presentation skills vital for informed decision-making and effective leadership.

- Exposure: National and International Olympiads
- Subscription Fees: Not Applicable

### **Debate Club (Bangla)**

The Debate Club is designed to refine logical reasoning, eloquence and persuasive communication through structured debates and mock parliaments in order to gain confidence in articulating ideas with clarity and conviction implying Bengali language.

- Exposure: National and International Olympiads
- Subscription Fees: Not Applicable

### **Debate Club (English)**

The Debate Club (English) is dedicated to refining logical reasoning, eloquence, and persuasive communication through the art of formal discourse. By participating in structured debates and mock parliaments members develop the confidence to articulate complex ideas with clarity and master the skill of strategic refutation. The club prepares students for global recognition, empowering them to become influential voices in the international arena.

- Exposure: National and International Olympiads
- Subscription Fees: Not Applicable

### **Arts & Crafts Club**

The Arts & Crafts Club provides a vibrant space for members to channel their creativity into diverse artistic projects using a wide range of media and techniques. Members have the opportunity to showcase their talents through curated exhibitions and competitions, celebrating the power of visual storytelling.

- Exposure: National and International Olympiads
- Subscription Fees: Applicable

### Question Pattern & Distribution of Marks First Term / Pre-Test / Test and Model Test Exam-2026

Serial No.	Topic	Full Mark
<b>Theory: 75</b>		
1	Creative Question (4 out of 7)	10×4=40
2	Short Question and Answer (5 out of 7)	2×5=10
3	Multiple Choice Question (25)	1×25=25
<b>Practical: 25</b>		
1	Experiment Principle /Set up essentials/Procedure/ Observation/Drawing/Labeling/Decision	1×15=15
2	Presentation of result with explanation	05
3	Viva-voce	05

### Subject: Higher Mathematics

#### 1st Term Examination – 2026

Group	Chapter	Title	Page No.	Required Classes
Algebra	1	Set and Function (Revision)	1-40	2
	2	Algebraic Expression (Revision)	41-67	2
	9	Exponential and Logarithmic Function	205-235	6
	10	Binomial Expansion	236-251	4
Geometry & Vector	3	Geometry (Revision)	68-89	2
	12	Planar Vector (Revision)	288-304	2
	13	Solid Geometry	305-325	6
Trigonometry & Probability	8	Trigonometry (Revision)	158-204	2
	14	Probability (Revision)	326-337	2
Total Classes				41

S/L	Practical	Required Classes
1	Determine their inverse functions by drawing graphs. For example: $y = x^3 - 1$ , $y = 4^x$ etc.	2
2	Graphing functions and determining their domain and range. For example: $f(x) = e^x, f(x) = e^x, 2 < e < 3$ , etc.	2

### Ten (English Version)

3	Determine the volume, area of the six faces, and length of the diagonal of a rectangular cube by measuring its length, width, and height.	2
4	Determining the total surface area and volume of a prism.	2
5	Collect a conical cap used for birthdays or other celebrations and determine its surface area and volume.	2
6	Determining the surface area, radius, and volume of a toy or football.	2
7	Determine the total surface area and volume of a pyramid.	2
Total Classes:		5

### Pre-Test Exam – 2026

Group	Chapter	Title	Page No.	Required Classes
Algebra	1	Set and Function	1-40	4
	2	Algebraic Expression	41-67	4
	5	Equation	104-132	10
	6	Inequality	133-146	6
	7	Infinite Series	147-157	4
	9	Exponential and Logarithmic Function	205-235	4
	10	Binomial Expansion	236-251	4
Geometry & Vector	3	Geometry	68-89	4
	4	Geometric Construction	90-103	5
	11	Coordinate Geometry	252-287	8
	12	Planar Vector	288-304	7
	13	Solid Geometry	305-325	6
Trigonometry & Probability	8	Trigonometry	158-204	4
	14	Probability	326-337	4
Total Classes				78

Practical Work		
1	Draw of Functions and inverse functions	Total Class: 05
2	Draw and characteristic of Exponential, Logarithmic and Absolute value function	
3	By using calculator, determination of log and anti -log	
4	Determine area of triangle and quadrilateral by plotting points and determine the length of sides	

## Ten (English Version)

### Test/Model Test Exam-2026

Full Syllabus

(According to the Syllabus for SSC Exam-2027)

### Mark Distribution for Term, Pre-Test and Test Examinations

(According to the guidelines of NCTB for SSC Exam 2027)

SL	Content	Marks
<b>Theory Section: 75 Marks</b>		
1	<b>Creative Questions (4 out of 7)</b> Group-A (Algebra): 3 questions Group-B (Geometry and Vectors): 2 questions Group-C (Trigonometry and Probability): 2 questions (Answer 4 questions including at least 1 from each section)	10×4=40
2	Short Answer Questions (5 out of 7)	2×5=10
3	<b>Multiple Choice Questions (25 questions)</b> <ul style="list-style-type: none"><li>• Algebra section: 8-12 questions</li><li>• Geometry and Vectors section: 8-12 questions</li><li>• Trigonometry and Probability section: 5 questions All questions must be answered</li></ul>	1×25=25
<b>Practical: 25 Marks</b>		
1	5 practical activities will be given - Complete 2 activities (Including equipment setup and use, following correct procedures, data collection and processing, observation, drawing, identification, and practice)	10×2=20
2	Oral Assessment	5
